

On Creativity

A child is not a vessel to
be filled, but a fire to be
lit.

The King of Sweden

On University Education

“The first duty of a university is to teach wisdom, not a trade; character, not technicalities.

We want a lot of engineers in the modern world, but we don't want a world of engineers.”

- Winston Churchill, 1950

On Science and Technology Policy

“The test of our progress is not whether we add more to the abundance of those who have much:

it is whether we provide enough for those who have little”

Franklin D Roosevelt
