

Education 教育

- Students are required to rotate through a lab outside of their primary research interests to foster an interdisciplinary mindset
- 学際的思考力を身に付けるため、専門分野以外の科目を受講するラボ・ロテーションが義務付けられている
- Students are required to take professional development courses to broaden their horizons and tackle challenges outside the lab
- 視野を広げ現実的な課題解決能力を身に付けるため、プロフェッショナル・ディベロップメント科目を全学生が受講
- Entrepreneurship courses and workshops are offered through our Technology Development and Innovation Center
- 本学の技術開発イノベーションセンターにおいて、起業に関する講義やワークショップを提供している
