

■ 添付資料リスト

【添付資料 1 学生情報】

【添付資料 2 OIST博士課程修了生の進路】

【添付資料 3 平成30年度 研究に関する受賞実績】

【添付資料 4 科研費に関する申請件数、採択件数等】

【添付資料 5 平成30年度 研修実績・外部研究資金】

【添付資料 6 学術交流協定一覧】

【添付資料 7 平成30年度 OIST主催によるワークショップ・ミニシンポジウム】

【添付資料 8 平成30年度 学会、シンポジウム等のイベント開催状況】

■ List of Attachment

【Attachment 1 Student Information】

【Attachment 2 Career path of the graduates】

【Attachment 3 Research honors】

【Attachment 4 Data on Kakenhi (Applied/succeeded number, etc.)】

【Attachment 5 FY2018 Number of Employees Taking Training Programs, GRCS】

【Attachment 6 Academic Exchange Agreements List】

【Attachment 7 FY2018 List of OIST-funded workshops mini-symposia】

【Attachment 8 FY2018 List of other research conferences & workshops】

添付資料 1 学生情報-1

Attachment 1 Student Information-1

1-Sep-18

| Class         | No. of applicants | No. of offers made to applicants | No. of students (定員数) | Distribution of ages (Average) | No. of males | No. of females | Place of origin                                                                                                                                                                                                                                          | Major/Scientific field                                                                                                               | Graduated University                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

(\*) There are 174 students in total as of Sep 1, 2018,

(a) due to termination of 10 students (2012 admission/one from Nigeria, two from USA, 2013 admission/one from Japan, 2014 admission/two from Germany/one from UK, 2015 admission/one from Iran, 2016 admission/one from Japan, 2017 admission/one from Kazakhstan).

(b) due to exiting the Ph.D program with MSc – 2 students (2012 admission/one from Egypt, 2013 admission/one from USA)

(c) graduation of 20 students

(d) 6 of the 35 Class of 2018 students are to start in January 2019

\* There are 205 students in total as of September 1, 2019.

(a) due to termination of 14 students as the following list 2.

(b) due to exiting the PhD program with MSc as the following List 3.

(c) graduation of 35 students in total as the following List 4.

(d) excluding students enrolling in January 2020.

List 2. termination
