Further to its note of January 15th concerning the transfer of Japanese diplomatic and consular archives and property in Canada, the Swiss Legation has the honour to inform the General Headquarters of the Supreme Commander for the Allied Powers that it has received from the Political Department in Berne the following reply to the note No.1/P4 of January 9th from the Japanese Ministry of Foreign Affairs which was sent to this Legation by memorandum No.40 091.1 (12 Jan 46)GD of January 18th of the General Headquarters:

The Canadian Government was notified on November 19th, 1945, for handing over Japanese archives and property in Canada. The Swiss Consul General in Montreal received official Canadian acknowledgement on December 6th designating custodian in Department of the Secretary of State of Canada as the official to assume the custody and control. The Canadian Government wrote again on December 10th suggesting examination of each parcel of Japanese property in presence of representatives of custodian and Consulate General to make approved clear inventory to be used as a basis for the completion of the handing over. Under this plan, Japanese archives and property in Vancouver

To the General Headquarters  
of the Supreme Commander  
for the Allied Powers, G S,

Tokyo.

were officially handed over to the representative of the Canadian on January 8th and similar handing over in Ottawa is awaiting the return of the responsible official from Vancouver. As the final transfer should now be concluded any moment, the Swiss Consul General in Montreal estimates that the most practical procedure would be for the Canadian custodian to complete taking custody from him and possibly to give the final receivership of the Japanese archives and property to the American Embassy in Ottawa.

The Swiss Legation would be grateful if the General Headquarters would transmit the above to the Japanese Ministry of Foreign Affairs.

Tokyo, January 31st, 1946.

MEMORANDUM FOR: IMPERIAL JAPANESE GOVERNMENT.  
THROUGH : Central Liaison Office, Tokyo.  
SUBJECT : Loading of Coal for Export at Miike.

1. Reference is made to your letter to Supreme Commander for the Allied Powers, dated 31 January 1946, file C.L.O. No. 481 (2.23), subject: "Weekly Report on Coal Shipments to Korea", setting forth a summary of circumstances which prevented the shipment of the full quantity of 70,000 tons of coal for the month to Pusan, Korea. It is noted that one of the difficulties was the loading of British vessels, with respect to which it is stated that: "These vessels have priority of loading over the Japanese coal freighters (including those for Korea) and, as a result, the shipments to Korea are unduly delayed."

2. Inasmuch as this Headquarters has issued no directive or instructions establishing any order of priority for the loading of ships at Miike, explanation of the above quotation is desired.

Note Verbale.

The Royal Swedish Legation presents its compliments to the General Headquarters of the Supreme Commander for the Allied Powers and has the honour to request, that the following be communicated to the Japanese Ministry of Foreign Affairs:

"The Royal Swedish Legation, in charge of Italian interests, has the honour to request the assistance of the Imperial Ministry of Foreign Affairs in order to obtain the necessary material and labour for the repairs of the roof of the Chancery building of the Italian Embassy at 28 Mita 1-chome, Shiba-ku.

The roof in question is of slate and was pierced by two incendiary bombs last spring. In order to avoid leakage from rain and snow, which may result in extensive damages to the interior of the building, it is hoped that these necessary repairs be effected without delay."

Note. Verbale.

The Royal Swedish Legation presents its compliments to the General Headquarters of the Supreme Commander for the Allied Powers and has the honour to acknowledge the receipt of its communication of the 25th January, 1946, No. AG 091.1 /25 Jan 46/GB, regarding transmittal of a note from the Japanese Foreign Minister concerning the arrest of Mr. E.F. Johansen. The Legation should appreciate if through the kind intermediary of the General Headquarters the enclosed note, dated the 6th February, 1946, could be transmitted to the Japanese Foreign Minister.

Tokyo, 7th February, 1946.

General Headquarters  
Supreme Commander for the Allied Powers  
T o k y o .

Tokyo, February 6th, 1946.

Monsieur le Ministre,

I have the honour to acknowledge the receipt through the intermediary of the Supreme Commander for the Allied Powers of Your Excellency's note of the 10th January, 1946, No. 2/P4, regarding the arrest of Mr. E.F. JOHANSEN, a Danish citizen serving as clerk of this Legation.

I am glad to inform Your Excellency that the Swedish Government accept the apology and the principles for a settlement expressed, on behalf of the Imperial Japanese Government, in the said note. However, the Swedish Government will not see themselves ready to consider the incident as closed until the indemnity has been satisfactorily paid. Furthermore, it would be desirable, in due course, to receive information as to the results of the investigations, which, as Your Excellency assures me, have already been initiated by the competent Japanese Authorities with a view to ascertain if some Japanese official or officials should be held responsible for unlawful acts in connection with this case.

Your Excellency has suggested two alternative ways to <sup>pay</sup> ~~pay~~ the indemnity:

- a/ payment of the equivalent in Yen to the 1000.000:-Swedish Kronor claimed, or,
- b/ subject to the approval of the Allied Powers, payment in Swedish currency.

As indicated in my note of 25th October, 1945, the Swedish Government desire to obtain the indemnity in Swedish currency. I have been given to understand that the Imperial Government have already applied to the Allied Powers for their approval to pay the indemnity in Swedish currency, and I request that the Imperial Government persist to use energetic efforts to have the question of indemnity settled in that way. This Legation will, of course, support the said application if that is deemed expedient.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest consideration.

Knk Z Vyboz

His Excellency  
Monsieur Shigeru Yoshida,  
Minister for Foreign Affairs,
