From the information received, it appears that Mr. Larive's effects were taken by either the captain of the vessel or by a sergeant of the Medical Corps named Foetsjoka and handed over to the Japanese organization in charge of prisoners of war and internees. This agency, in turn, delivered the property to the Information Bureau of the Netherlands Indies Red Cross.

3. The required report is to be submitted to the Civil Property Custodian by 20 March 1947.

a. Ryukyuan, Chinese, Formosans and Koreans destined for Korea south of 38° North Latitude, now in Japan and who are eligible for repatriation, will be assembled at Sasebo Reception Center, processed for shipment, and held in the Sasebo Reception Center pending shipping instructions.
