MEMORANDUM FOR: IMPERIAL JAPANESE GOVERNMENT
THROUGH : Central Liaison Office, Tokyo
SUBJECT : American and British Engineering Journals

1. Reference is made to C.L.O. Memorandum No. 5049 (GL), dated 1 October 1946, concerning "Request for American and British Journals on Engineering".

2. The Supreme Commander for the Allied Powers is unable to authorize the use at this time of Japanese foreign currency assets for the purchase of foreign publications, including the engineering journals desired by the Tohoku Imperial University.

3. In recognition of the informational and educational usefulness of such publications, however, the Supreme Commander for the Allied Powers is exploring ways and means of making the most essential of them available to Japanese scholars and specialists without dissipation of the funds required for even more essential imports. When and if it becomes possible to make available to the Tohoku Imperial University any of the engineering journals listed, the C.L.O. will be informed.

1. The Central Liaison Office is directed to investigate and re-
port on 1554.76 carats of diamonds, the property of Mr. David Siva,
removed from the Netherlands East Indies during the Japanese Occupation
of the Islands.

2. The diamonds, wrapped in 61 packages packed by Notaris Lammers,
Batavia, were on deposit in the vaults of the Nederlandsche Handel-
Maatschappij, N.V., Batavia.

3. Attached are two lists describing the said property. The first,
prepared by Notaris Lammers, contains a list of the 61 packages and enumer-
ates the markings on the original packages in the first column, the type
of diamonds contained in each one in the second column, and the number of
carats in each parcel in the third column. The second list was prepared by
the Japanese authorities when they took over Mr. Siva's property.

4. The required report will be submitted by 14 November 1946 and
will include information concerning the subject diamonds from the time
they left the Netherlands East Indies, an inventory of the property when
it arrived in Japan, and all descriptive information that is available
concerning the individual stones, as well as an account of their disposi-

MEMORANDUM FOR: THE IMPERIAL JAPANESE GOVERNMENT

THROUGH : Central Liaison Office, Tokyo

SUBJECT : Release of Wheat

1. The Imperial Japanese Government will take action and assume responsibility as follows with regard to approximately 25,000 metric tons of wheat being made available for future Japanese Consumption:

a. Accept delivery of approximately 25,000 metric tons of wheat at points in Kobe designated by the Commanding General, Eighth United States Army.

b. Furnish the Commanding General, Eighth United States Army, with quantitative receipts for the wheat at points of delivery.

c. Store the wheat so that it is protected against spoilage, pilferage, theft or other hazards and is under proper custody at all times.

d. Ensure that no distribution is made of the wheat until official authorization for release is given by the Supreme Commander for the Allied Powers. This does not preclude processing or transportation of the grain to areas of greatest anticipated need.

2. Reference is made to Memorandum for the Imperial Japanese Government from General Headquarters, Supreme Commander for the Allied Powers, file AG 430(11 Apr 46)ESS/PC, (SCAPIN 960-A), 11 April 1946, subject: "Maintenance of Records of Storage and Distribution of Imported Foodstuffs." A report providing the information in paragraph 1 a of the above memorandum will be made to the Supreme Commander for the Allied Powers concerning the storage of this wheat.

3. Terms of payment and accounting will be decided later.

THROUGH : Central Liaison Office, Tokyo
SUBJECT : Violation of Supreme Commander Allied Powers Directive No. 1 dated 2 September 1945

アヅマ工業(社)アヅマ鋼鉄(株)の指令不遵守及び行調査方命令の件

1. Supreme Commander for the Allied Powers Directive No. 1 dated 2 September 1945 required the Japanese Government to hold intact all factories, plants, shops, research institutions, to produce or to facilitate the production of items intended for use by a military organization.
2. The Imperial Japanese Government is directed to investigate in detail a reported violation of SCAP Directive No. 1. This violation is reported to consist of the transfer of plant equipment, after the effective date of the subject directive, to private ownership and operation of Azuma Kogyo K.K. and later to the Azuma Steel Company of Tokyo.
3. The Imperial Japanese Government will investigate the disposition of the reported monies paid for these plants by both companies. Written report will be made to the Supreme Commander for the Allied Powers within two weeks after receipt of this memorandum giving full details of this transaction.
4. The Imperial Japanese Government will investigate all similar transactions made subsequent to 2 September 1945 and will submit a full report in this connection within four weeks of receipt of this memorandum.
