MEMORANDUM FOR: JAPANESE GOVERNMENT

SUBJECT: Request for Location of Property of H. Knecht, Left in Japan in 1939

1. The Japanese Government is directed to investigate the disposition and present location of property belonging to H. Knecht, German national, who represented Spat Ltd, Zurich, Switzerland, and New England Waste Company, Boston, Massachusetts, in Japan prior to 1939. In August 1939 Mr. Knecht left Japan for Australia at which time he stored his household furniture and personal effects at his office, Room 306, Kobe Building, Kobe, in care of Shimada Shoten, Ltd, of Kobe and Osaka. Mr. Knecht was interned in Australia and was unable to return to Japan. He received information from Mr. E. A. Kaemmerer, a partner of Messrs. Clay and Company, 107 Itomachi, Kobe, that his property had been moved prior to the arrival of the Allied Forces. The offices where his property was stored were taken over by the Allied Occupation Forces.

2. The Japanese Government is directed to determine the present location of the property and submit a report thereon to General Headquarters, Supreme Commander for the Allied Powers within thirty (30) days of the date of receipt of this memorandum.

3. The Japanese Government is further directed to obtain from the designated issuing companies the following information with respect to the subject shareholdings and report the same to General Headquarters, Supreme Commander for the Allied Powers:

a. Complete information with respect to dividends declared on the designated shares prior to 15 November 1948. This information should be detailed as to earning period of dividend, rate of dividend, amount of dividend, date of payment and the name of the person or company receiving payment. If dividends have been declared but not paid, or if no dividends have been declared, such facts should be stated.

b. Any differences existing in the paid-up share values as stated on the subject schedules, and as stated in the registration books of the designated issuing companies

c. Any instances of non-payment of call or calls with respect to the paid-up share values as stated on the subject schedules, giving complete details as to date and amount of call or calls

d. Any instances where the values of the designated shareholdings have been or may be affected by Japanese legislation enacted subsequent to 1 September 1945, and dealing with corporate reorganizations, readjustments or dissolutions

e. If, due to increase in capitalization, allotment of new shares was made to the subject shareholders, submit details on number of shares that can be subscribed to by each shareholder. If subscriptions by the subject shareholders were made since 1 September 1945, report to be submitted giving details of such subscriptions

f. If the right of the subject shareholders was forfeited or other disposition or changes made with regard to shares in question, submit report giving particulars of the actions taken

g. If the registration books of the designated issuing companies indicate that subject shareholders possess shares not included on the attached schedules, submit information as to serial numbers of certificates, number of shares, par value, name of registered owner, and available information concerning the whereabouts of the share certificates

h. If the attached schedules of shares include receipts of subscription for shares, submit information as to the time the delivery of the stock certificates can be made

i. Brief history of the company, including information on goods manufactured or services rendered

j. Information concerning the initial capitalization and any changes in capitalization that occurred from 1 September 1945 to date

k. Information concerning any amalgamations, adjustments and changes in the name of the company that have taken place since 1 September 1945

MEMORANDUM FOR: JAPANESE GOVERNMENT

SUBJECT: Revised Procedure for Handling Government Messages from Japan via the United States and via Manila

1. Reference is made to memoranda for the Japanese Government as follows:

a. File AG 311.2 (8 Mar 47)CCS, SCAPIN 1563, dated 8 Mar 1947, subject: Radiotelegraph Service for Government Messages, other than United States Government.

b. File AG 676.3 (27 May 47)CCS, SCAPIN 1707, dated 27 May 1947, subject: Establishment and Operation of Direct Telecommunications Circuits between Tokyo and Manila, as amended.

c. File AG 311.23 (10 Aug 47)CCS, SCAPIN 1759, dated 10 August 1947, subject: Expansion of Radiotelegraph Service via the United States, as amended.

d. File AG 311.23 (3 Oct 47)CCS, SCAPIN 1790, dated 3 October 1947, subject: Non-acceptance of Collect Press and Government Messages from Japan to China.

e. File AG 311.23 (5 Apr 48)CCS, SCAPIN 1877, dated 5 April 1948, subject: Revised Procedure for Handling Press and Government Messages from Japan to the United States, Manila, Korea and Okinawa.

2. Effective immediately, the provisions of the reference memoranda pertaining to the acceptance and handling of government messages are modified as follows:

Government messages, other than United States Government messages may be sent prepaid or on a receiver-to-pay basis, from Japan via the United States or via Manila, to any point to which radiotelegraph service is now or later may be established except to those points specifically named in references 1d and 1e above. Concurrence of the telegraph administration of destination is necessary before transmission of government messages on a receiver-to-pay basis.

3. In the absence of a reduced rate for government messages, such messages, with the exception of United States Government messages, will be charged the normal full rate or the CDE rate from Japan to destination.

e. Memorandum for Japanese Government AG 400.12
(31 Mar 48)CE-GD, SCAPIN 1872, subject: Expenditure from
Funds Appropriated for Occupation Force Requirements.

2. References as indicated under 1b and 1c and 1d above
are hereby resindicated.

3. The cost of medical care requirements to be met by
the Japanese Government as the employer under applicable
Japanese Law with regard to Japanese Nationals employed for
the Occupation Forces may be charged to Termination of War
Funds subject to the provisions of SCAPIN 1872 referred to
in 1e above.

4. SCAPIN 1872 requires that no expenditures be made
from funds appropriated for Occupation Force requirements

AG 701 (23 Aug 48)PH (SCAPIN 1949)

unless fully covered by authorized procurement instruments
and receipts. Compensation for injury and/or death incurred
in line of duty and contributions to various forms of health
insurance for the employee are obligations of the Japanese
Government as employer. The procurement instrument under
which the individual is employed is therefore adequate
authority for payment of such obligations, where performance
of the requirements of that instrument have been properly
received for. Such expenditures may be charged to funds
appropriated for payment of labor directly employed for
Occupation Forces.

5. In those cases where provisions of the law do not
specify the method nor extent of medical care to be pro-
vided the employee, any requirement for such care, or service
in connection therewith, which is above the minimum required
by law, must be covered by separate and specific procure-
ment instrument and receipt. The construction, equipping,
operation and maintenance at government expense of any
facility to be used exclusively for administration of medical
care, treatment, or service to Japanese Nationals employed
for the Occupation Forces can be accomplished only by is-
suanace of appropriate procurement instrument and receipt.
The part time or non-exclusive use by Occupation Forces'
agencies of facilities to provide certain medical services
such as physical examination, inoculations, etc., will be
procured and receipted for on a service basis.

6. The Preventive Vaccination Law, the Food Sanitation
Act, the Venereal Disease Prevention Law, and the Tubercu-
losis Preventive Law provide protection and medical care to
the Japanese people generally. The cost of such services
provided Japanese Nationals employed for the Occupation
Forces will be borne as stated in these Laws. Since Termi-
nation of War Funds will not be involved, no procurement
instrument will be issued for such services.

7. If any expenditure from funds appropriated for sup-
port of the Occupation Forces is required in connection with
the responsibilities of the Japanese Government as the em-
ployer under applicable Japanese Law, and as specifically
stated in paragraphs 3 and 5 above, procurement instruments
and receipts must be issued to cover such expenditures.
The application of this procedure will include, but may not
be limited to, the following requirements with regard to
physical examination, immunization, and the control of com-
municable diseases:

a. Persons Involved:

- (1) Food handlers and domestic employees, such as cooks, waiters, waitresses, kitchen employees, maids, houseboys, etc.
- (2) Office workers, such as clerks, typists, interpreters, translators, receptionists, etc., including elevator operators.
- (3) Others: This includes drivers, mechanics, stevedores, custodian employees of office buildings and other laborers.

b. Nature of Physical Examination: The physical examination will ordinarily consist of a thorough physical inspection for the presence of communicable diseases (skin, eyes, nose, mouth and throat) plus such laboratory procedures as may hereinafter be specified. More detailed physical examinations together with complete history and applicable laboratory procedures will be made when deemed desirable or necessary in the opinion of the examining physician. Examination of female genitalia will not be performed except when properly indicated by history or otherwise considered necessary by the examining physician.

c. Initial Physical Examination. Prospective employees prior to employment or assignment to duty will be examined as follows:

- (1) Personnel listed under paragraph 7a(1) above.
 - (a) Physical inspection.
 - (b) Chest x-ray.
 - (c) Serological test for syphilis.
 - (d) Stool examination (microscopic).
 - (e) Stool culture.
- (2) Personnel listed under paragraph 7a(2).
 - (a) Physical inspection.
 - (b) Chest x-ray

(c) Serological test for syphilis.

- (3) Personnel listed under paragraph 7a(3) above.

(a) Physical inspection.

d. Follow-up Physical Examination. During the course of employment employees will be re-examined as follows:

- (1) Food handlers in hospitals and billet messes will receive a physical inspection, stool examination and stool culture monthly.
- (2) Other food handlers listed under paragraph 7a(1) will be re-examined similarly every three months.
- (3) X-ray of the chest and serological test for syphilis will be repeated as indicated for cause.

e. X-ray of the Chest.

- (1) X-ray of the chest will be made as directed in paragraph 7c at the time of employment of all personnel listed in paragraphs 7a(1) and 7a(2) and may be made of other employees or may be repeated whenever indicated for cause.
- (2) 35 mm film "indirect examination" will be considered acceptable for screening purposes. Full size "direct" chest plate will be made whenever indicated by positive, doubtful or suspicious findings on smaller film.

f. Serological test for syphilis.

- (1) Serological test for syphilis will be made as directed in paragraph 7c at the time of employment of all persons listed under paragraphs 7a(1) and 7a(2) and may be made of other employees or may be repeated whenever indicated for cause.

- (2) The Murate or the Ide Test will be considered acceptable for screening purposes. Positive or suspicious findings will be carefully checked. When facilities are available for the performance the Kahn or Wasserman Test will be used for this purpose.
- (3) A single positive serological test for syphilis will not be interpreted as a diagnosis of syphilis. Any person on whom such a positive finding is made will be studied carefully and a proper diagnosis made on the basis of history and physical examination as well as repeated serological tests. A determination of the state of infectivity or absence thereof will be made at the same time.

g. Immunization. A certificate of successful vaccination against smallpox within three years will be required of each employee.

h. Records:

- (1) Permanent clinical records of all examinations and immunizations performed will be maintained in connection with the employment records. These records will include all pertinent findings and diagnoses as well as a record of treatment when treatment is indicated. These records will be available for inspection by authorized Allied and Japanese Officials.
- (2) The applicant, when found physically qualified for employment, will be given a health card on which card will be recorded the following:
 - (a) Name, address and other suitable identification of the employee.
 - (b) Immunization Record.
 - (c) Date or dates of examination and signature of the examining physician.

- (3) Under no circumstances will diagnosis, treatment, recommendations for change of employment, etc., be entered upon the health card and given to the employee.
- (4) The health card will not be given to the employee unless or until physically qualified for employment. Whenever it is recommended that an employee be laid off during the course of treatment for a remedial defect, his health card will be withdrawn and kept with the clinical record at the place of treatment until such time as he is considered physically fit to return to duty.

1. Interpretation of Findings:

- (1) Sound professional judgment must be used in interpreting results of physical examination and laboratory procedures and in making recommendations based thereon.
- (2) Intestinal Parasites: Persons found to be infested with intestinal parasites will be given an adequate course of treatment according to applicable law and will be re-examined after completion of treatment to determine freedom from the parasite or organism involved.
- (3) Tuberculosis: Any person on whom a diagnosis of active tuberculosis is made will be immediately relieved from duty and arrangements will be made promptly to place him under proper treatment.
- (4) Venereal Diseases:
 - (a) Gonorrhoea and Chancroid: Any person found to be suffering from gonorrhoea and/or chancroid will immediately be placed under treatment according to the Venereal Disease Prevention Law and will not be issued a health card until found free of disease or diseases in question.

(b) Syphilis: Any person in whom a diagnosis of syphilis is definitely established should immediately be placed under treatment according to the Venereal Disease Prevention Law in the manner prescribed except when contraindicated on medical grounds. In the case of new syphilis or in any other case in which the disease is in an infectious stage the patient will be relieved from duty until the disease is no longer infectious. As long as the patient remains under treatment, he will not be discharged for the reason of the disease alone. The record of treatment will be dated and initialed by the treating physician or authorized administrative official of the clinic at the time of each treatment.

(5) Other Communicable Diseases. Any employee found to be suffering from or found to be a carrier of a reportable communicable disease will be immediately relieved from duty and placed under proper treatment under applicable law until free from the disease and/or until the probability of communicating the disease has passed.

SUBJECT: Confiscation of Goods at Tsingtao

TO: JAPANESE GOVERNMENT

1. Reference: C.L.C.O. No. 2777 (F.C.R. 73)
4 August 1948.

2. An inquiry in regard to the above referenced memorandum was addressed to the Chinese Mission in Japan, which has replied as follows:

"In accordance with Paragraph F of the Repatriation Plan signed by both the Chinese and American authorities in Shanghai on October 25, 1945 Chinese soldiers and police are authorized to check all baggages of Japanese repatriates in cooperation with the competent authorities. The baggages confiscated by the Chinese police at Tsingtao on May 20, 1948 were reportedly either contraband articles or baggages in excess of the weight limit, namely 200 kgs.

"The articles thus confiscated were later delivered by the Tsingtao Customs to the Enemy's Property Disposal Department of the Central Trust of China in accordance with regulations.

"Consequently the action taken by the Chinese police at Tsingtao under reference is lawful."
