3 Outline of the SSEAYP International

(1) SSEAYP International (SI)

The participating countries of SSEAYP established an organization such as the International Youth Exchange Organization of Japan (IYEO) which is the association comprised of the former participants of the international youth exchange programs organized by the Cabinet Office (Prime Minister's Office / Management and Coordination Agency), in order to contribute to various international exchanges and youth programs in their respective countries.

SSEAYP International (SI) is an international organization established in 1987 with the alumni associations (AAs) in six ASEAN member countries and IYEO.

(2) Participating Countries

Full members: AAs of Brunei Darussalam, Cambodia, Indonesia, Japan, Malaysia, Myanmar, the Philippines, Singapore and Thailand

Associate members: AAs of Lao P.D.R. and Viet Nam

IYEO has a role as the SI Secretariat, and the Secretary General of SI is Mr. Shiratori Masanobu (Japanese PY of the 20th SSEAYP, Japanese NL of the 30th SSSEAYP), and the Deputy Secretary Generals are Ms. Tajima Yukiko (Japanese PY of the 26th SSEAYP) and Assist. Prof. Dr. Siripong Preutthipan (Thai PY of the 18th SSEAYP, Thai NL of the 38th SSEAYP).

(3) Purposes

The primary purposes of SI are to promote lasting friendship nurtured during SSEAYP and to help in the development of the activities of AAs through international youth exchange and social contribution activities. Through SI, the AAs in the respective countries are able to cooperate and help each other in achieving their individual as well as collective goals, missions and aspirations.

(4) Activities

a. SSEAYP International General Assembly (SIGA)

SIGA is held annually. The venue is rotated among member countries of SI.

b. Council of Presidents (COP) Meeting

The COP Meeting is the venue where the representatives of each SI member country discuss the SI activities. It is held at least twice a year.

c. Onboard Ship Conference (OBSC)

The OBSC representatives report the post-program activities to new PYs. It is held during SSEAYP.

d. Annual newsletter: SSEAYP NEWS

SSEAYP NEWS covers SI activities, AA reports, introduction of post-program activities of the latest PYs, etc. It is published annually and the articles are collected and edited by the OBSC representatives.

e. SSEAYP International Award (SI Award)

The SI Award is implemented every three years, given to individuals or organizations that provided valuable contributions to SI. It aims to encourage and appreciate SI members for their voluntary spirits, contributions to the society.

f. Social Contribution Activities (SCAs)

SCAs of SI include, but are not limited to, the distribution of relief goods and supplies to victims of natural disasters, physically challenged people, orphans and street children, etc. The AAs do not only receive donations from local sources but also there are instances where some AAs contribute to the outreach programs of the others. In 2017, to commemorate the SI's 30th anniversary and ASEAN's 50th anniversary, all the SI members organized their own social contribution

activities “Project 30/50” in their respective countries. From 2018, social contribution activities conducted by SI members are called “SSEAYP Go & Grow.”

g. Human Resource Network

Ex-PYs who are working or studying in the same/ similar fields can make the best use of our SSEAYP network through the human resource network.

h. Sending SI members to training programs of other organizations

This provides great opportunities for former SSEAYP participants to participate in various international youth exchange programs, workshops, seminars, etc. run by

other organizations. The network of friendship initiated by SSEAYP makes these tie-ups and collaborative undertakings possible.

i. Database of AA Members

The AAs of the respective countries manage the database of their members.

j. Networking with the Ship for World Youth Alumni Association (SWYAA)

Ex-PYs of SSEAYP can also expand their network to include the ex-PYs of the Ship for World Youth (SWY) Program, the other ship program conducted by the Cabinet Office, through the IYEO.
