国際社会青年育成事業は、昭和34年及び平成5年の当時の皇太子殿下御成婚記念事業を、令和元年のお代替わりを契機に発展させた事業で、日本青年を海外に派遣するとともに、外国青年を日本に招へいしており、本年度は6か国から47名の外国青年を招へいた。

外国青年は、来日直後の10月6日から4日間、海外に派遣された日本青年と国際青年交流会議に参加した。

その後、外国青年は3グループに分かれて地方を訪問し、地元青年とのディスカッションや伝統文化体験、施設訪問などの体験交流活動を行うとともに、ホームステイを経験するなど16日間の日本国内活動を終え、10月20日に帰国した。

The International Youth Development Exchange (INDEX) Program started to commemorate the marriage of His Imperial Highness the Crown Prince at that time in 1959 and 1993. In the new 2019 program set according to the imperial succession, Japanese youths were sent to overseas and 47 foreign youths from six countries were invited to Japan this year.

Foreign youths participated in the four-day International Youth Conference from October 6 with Japanese youths who were sent overseas as a member of Japanese Youth Goodwill Mission.

After participating in the Tokyo Program, the invited foreign youths were divided into three groups to visit local prefectures where they took part in discussion program with local youths and experienced traditional Japanese culture, institutional visits and homestay. They returned their countries on October 20 after completing all programs for 16 days in Japan.
